

## **Do you want a closer walk with God?**

Any improvement in your life begins with a conscious decision on your part. Growing closer to God is no different. Attending a Tres Dias weekend can be that conscious decision. Regardless of where you are in your faith walk, once you actually set out to move closer to God, He will draw nearer to you.

## **How will Tres Dias help me?**

We are a community of Christians, from many denominations, supporting one another in our faith journey. On a Tres Dias weekend you will find yourself being drawn into a closer relationship with Jesus Christ. What's more, you will be empowered to make an impact in your church, your home, and even in your workplace!

## **What happens when Christians come together?**

God's people were meant to be one people. A unique strength of Tres Dias is that we are non-denominational. You will meet and learn from other believers from many different churches who share in the mutual love of our Lord. Tres Dias seeks to focus on that which we have in common in Jesus Christ and respect our differences.

## **Three days is a huge commitment! Is this really worth my time?**

Overwhelmingly, people come back from a weekend saying, "Thank you for making this experience possible."

Why?

God always honors our time that we spend seeking Him. Tres Dias has spent decades fine-tuning the entire weekend to be sure that it is a solid "investment." You will not be disappointed, and you WILL be on a new path when you are finished.

## **What happens on a weekend?**

It begins on a Thursday evening and ends Sunday. Thirty-two participants live, study, worship and pray together, and listen to a series of talks each day, most by lay people, a few by clergy. Each talk reveals how God has affected the speaker's life in a deeply personal way. You will learn from their insights, struggles and triumphs as you reflect on your own faith journey. In the small group discussions that follow, the points from the talks expand to open each person's heart to the reality of God's grace in his or her life. You will not be pressured to participate in the discussion if that is not your nature. Meanwhile, members of the community will be praying for each person by name. We will also have some fun and you will develop some great friendships.

A wonderful thing you will discover about the weekend is that it takes the basics of Christianity and makes them personal for you. The opportunity to focus on Christ for three days, in a loving and open environment, makes your faith come alive!

## **OK, I'm ready! How do I attend?**

Participants are sponsored by someone who has already attended a Tres Dias (or similar) weekend. Your sponsor helps you prepare for the weekend, supports you and your family during the weekend, and helps you get the most benefit after the weekend. Equally important, your sponsor will be holding you up in prayer during the entire process.

You can ask a friend who has attended Tres Dias to be your sponsor and to get you an application.

If you don't know anyone who is a part of Tres Dias, you can email us at [tristatetresdiasinfo@gmail.com](mailto:tristatetresdiasinfo@gmail.com) and we will be glad to help.

## **How much does it cost?**

The weekend does have a cost of \$150 for each person. Sometimes, this cost is paid by your sponsor and other times by the candidate. There is also prorated scholarship money available. Some scholarship money is contributed by candidates who have had their weekends paid by generous sponsors who wish to "pay it forward" so that more people can attend future weekends. You may choose to do this as well.
